

WEBPAGE LINKS TO ALL MY REPORTS – April 2021

NOTE: In late 2021, Google is discontinuing the current version of their “Google Sites” webpages. Consequently, I am not sure that the URL links which I originally created for my online Reports shown below will still work. Therefore, in the chart appearing below, I am now adding a **new** link to each Report which refers to the Internet Archive (IA) version of my Reports so that they will all continue to exist online.

HARRY J. DEAN and "JBS PLOT" to Murder JFK [Harry Dean has claimed for 50 years that he was "recruited" by the FBI (and the CIA) to become their informant and undercover operative to provide information on radical right-wing and left-wing organizations and individuals. Harry also claimed that in September 1963 he informed the Special Agent in Charge of the Los Angeles FBI office (Wesley Grapp) about a John Birch Society "plot" to murder President Kennedy which involved Guy Galbadon, John Rousselot, Maj. Gen. Edwin A Walker, Loran Hall, and Lawrence Howard but (says Harry) the FBI refuses to release documents confirming Dean's story for "national security" reasons. Dean's FBI-HQ and FBI-Los Angeles and CIA files were released 30 years ago, and	https://sites.google.com/site/xrt013/harrydean IA: https://archive.org/details/dean-harry

they **DO NOT** support Dean's assertions. In fact, a Los Angeles FBI Agent described Dean on one serial as a "***mental case***". There are no documents of any kind whatsoever reflecting that Dean gave any information to SAC Wesley Grapp about any "***JBS plot***" and it should be noted that at the time Harry Dean claims he gave that information to Grapp in Los Angeles (i.e. September 1963), Grapp was still assigned as Special Agent in Charge of the FBI's **Miami Florida field office!**
